COMMENTS INVITED ON ECON-O-CALL, INC. APPLICATION TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

Comp. Pol. File No. 646

Comments Due: May 6, 2003

Section 214 Application **Applicant: Econ-o-Call, Inc.**

On **March 26, 2003, Econ-o-Call, Inc.** (Econ-o-Call or Applicant) located at **50 West Street, 3rd Floor, New York, NY 10006** filed an application with the Federal Communications Commission (FCC or Commission), requesting authority under section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of local exchange services to some of its subscribers in New York.

The application indicates that Econ-o-Call currently provides local exchange service on a resale basis in New York. Econ-o-Call states that it has entered into an agreement with Econocall, LLC (Econocall) to transfer control of certain assets, including some of Econ-o-Call's subscriber base. According to Econ-o-Call, the parties are separately filing applications for transfer of control of Econ-o-Call's domestic and international Section 214 authority. With respect to those subscribers not transferred, Econ-o-Call states that it intends to discontinue service on or about June 26, 2003.

In accordance with 47 C.F.R. § 63.71(c), the application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this notice, unless the Commission has notified the Applicant that the grant will not be automatically effective. Econ-o-Call indicated in its application that it plans to discontinue service on or about June 26, 2003. Accordingly, pursuant to section 63.71(c), absent further Commission action, Econ-o-Call may not terminate service to the customers affected by this application until June 26, 2003. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this

application must be filed with the Commission on or before **May 6, 2003**. Such comments should refer to **Comp. Pol. File No. 646**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. The original and four (4) copies of the comments should be sent to the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., Room TW-A325, Washington, D.C. 20554. Two (2) copies of the comments should also be sent to the Competition Policy Division, Wireline Competition Bureau, Federal Communications Commission, 445 12th Street, S.W., Room 6-A207, Washington, D.C. 20554, Attention: Carmell Weathers.
